

Learn more about the MinacNed membership

Information for companies interested in partnering with MinacNed

MinacNed

As the micro- nanotechnology Association, MinacNed offers benefits for all members:

- ▶ MinacNed is a trade association which:
 - ▶ Forms a network of companies and knowledge institutes
 - ▶ Offers networking events, focused on specific topics of interest
 - ▶ Hosts the annual Micro- Nano conference aimed at supporting the community with excellent keynotes, company presentations and networking opportunities.
 - ▶ Uses the collective voice to speak to policy makers to support the high-tech sector.
- ▶ MinacNed as a knowledge authority
 - ▶ Share press releases and news items for the website and newsletter
 - ▶ Stay up to date with new and current funding programs
 - ▶ Share job openings
- ▶ MinacNed bridges the connection between industry and science
 - ▶ with other micro- and nano related international and national (branch) associations & partners
 - ▶ subsidy and financing options: Public Private Partnerships
 - ▶ Lobby in collaboration with Nano4Society to keep nanotechnology on the map
