

Exhibitor and sponsor opportunities International MicroNanoConference 2023

30 – 31 October 2023

Kinepolis, Utrecht,
The Netherlands

Welcome at the International MicroNanoConference 2023

Where industry meets science, where problems find solutions and where trends, challenges and new technologies are highlighted. The international MicroNanoConference brings together science and industry to showcase how micro-, nano- and quantumtechnology help addressing our societal challenges.

Where industry meets science on micro-, nano- and quantumtechnology

- Nano4Health
- Nano4AgriFood and Environmental
- Quantumtechnology
- Microfluidics
- Functional Surfaces and Interfaces
- Manufacturing Technologies
- Organ-on-a-chip
- More than Moore
- Energy

We look forward to meeting each other again in person at a great network conference: the iMNC23. At the international conference for micro-, nano- and quantumtechnology new connections are made, and old friends are met in person once again. In this brochure we offer you options for your exhibitor booth, with live representation.

This year the event catering is located on the exhibition area, so visitors will pass the exhibitor booths for coffee and lunch. As an exhibitor you will have access to Wi-Fi at the booth.

We look forward to bringing the community together and we invite you to participate on October 30 and 31 at Kinopolis in Utrecht, the Netherlands.

On behalf of the organization,

A blue ink signature of Martijn Fransen, consisting of a series of loops and a long horizontal stroke.

Martijn Fransen PhD
Malvern Panalytical

Chair of the Organization Committee

A blue ink signature of Prof Dr Cas Damen, featuring a large, stylized 'C' and 'D' followed by a horizontal line.

Prof Dr Cas Damen
Saxion University of Applied Physics

Chair of the Program Committee

Exhibitor booth iMNC23

You will have space to meet with attendees and speakers and present your company in your own space at the conference. Your team is actively engaged both in the main program and on the conference floor. You can pitch your company on the first day of the conference and in the period leading up to iMNC23, your company profile is promoted online.

You will have a booth at iMNC23 which includes:

- A table and 2 chairs with space for 2 roll-up banners and materials
- Showcase your company video online
- A company pitch in the main program
- Electricity
- Free Wi-Fi access

You will have access to:

- The full conference with 2 attendees (booth staff)
- Tickets for 2 attendees of the social program on October 30, in Utrecht

Promotion in the period leading up to iMNC23 includes:

- Your logo on the iMNC23 website
- Your company profile on the iMNC23 website, including a short (max 2 min.) video
- Your logo and profile (80 words) in one newsletter mailing
- Your logo on the presentation in the main event and in breaks

Exhibitor booth fee

For MinacNed members the fee is € 2.205,- (ex VAT).

For non-members the fee is € 3.885,- (ex VAT).

For start-up companies, founded in 2020 or later, the fee is € 945,- (ex VAT). You have to be a MinacNed member to apply for this reduced fee.

Do you have a question?

Would you like to become a MinacNed member or would you like to discuss sponsorship opportunities? Please send an email to:

Floorplan Kinopolis Utrecht

The floorplan can house up to 16 exhibitors. The location of the booths on the drawing is approximately where the booth is. The spots are all the same size (difficult to depict in the picture). Booths 8 to 16 are under an elevation (on which the posters are placed). This is difficult to indicate on the floor plan.

The furniture drawn in is not specifically located in the places shown on the map.

You can indicate which place(s) you prefer but the organisers will allocate the final places.
