

EXHIBITOR AND SPONSOR OPPORTUNITIES

International MicroNanoConference 2024

28 – 29 October 2024

Eindhoven University of Technology, Eindhoven,
The Netherlands

Oct.
28 + 29
2024

UNIVERSITY OF TECHNOLOGY EINDHOVEN
// HOSTED BY MINACNED

Welcome at the International MicroNanoConference 2024

The international MicroNanoConference brings together science and industry to showcase how micro-, nano- and quantumtechnology can help addressing our societal challenges. The conference will cover four application areas, i.e. Health, Agrifood & Water, Security and Sustainability & Energy, with a strong focus on the key enabling technologies nanotechnology, microtechnology and quantum technology. These technologies and application areas form the backbone of our Minacned community. This edition of the iMNC will have an additional focus on talent matching. The theme of iMNC24 is Where Science and Industry meet Talent. Therefore, companies and students are encouraged to participate.

During this conference we offer companies and knowledge institutes space to meet with attendees and speakers and present your organization at your own booth.

This year the iMNC puts more attention in attracting young talent to our conference. We do this by offering a strongly reduced conference fee for MSc students, and by promoting the conference actively under student populations. We expect quite some attendance from young talents, which gives you as booth holder a perfect opportunity to meet these young talents and have fruitful discussions about career opportunities or interaction these talents during their studies (e.g. internships, graduation etc.).

Besides, your team is actively engaged both in the main program and on the conference floor. You can pitch your organization on the first day of the conference and in the period leading up to iMNC24, your organization profile is promoted online.

We look forward to meeting each other again in person at a great network conference: the iMNC24. In this brochure we offer you options for your exhibitor booth, with live representation.

We look forward to bringing the community together and we invite you to participate on October 28 and 29 at Eindhoven University of Technology, Eindhoven, the Netherlands.

On behalf of the organization,

Martijn Fransen PhD
Chair of Minacned Board

Prof Dr Cas Damen
Chair of the Program Committee iMNC

UNIVERSITY OF TECHNOLOGY EINDHOVEN
// HOSTED BY MINACNED

Exhibitor booth iMNC24

You will have exhibition space to meet with attendees (including students) and speakers and present your organization in your own space at the conference. Your team is actively engaged both in the main program and on the conference floor. You can pitch your organization on the first day of the conference and in the period leading up to iMNC24, your organization profile is promoted online.

You will have a booth at iMNC24 which includes:

- A table and 2 chairs with space for 2 roll-up banners and materials
- Showcase your organization video online
- A organization pitch in the main program
- Electricity
- Free Wi-Fi access

You will have access to:

- The full conference with 2 attendees (booth staff)
- Tickets for 2 attendees of the social program on October 28, in Eindhoven

Promotion in the period leading up to iMNC24 includes:

- Your logo on the iMNC24 website
- Your organization profile on the iMNC24 website, including a short (max 2 min.) video
- Your logo and profile (80 words) in one newsletter mailing
- Your logo on the presentation in the main event and in breaks

Exhibitor booth fee

For Minacned members the fee is € 2.275,- (excl. VAT).

For non-Minacned members the fee is € 3.999,- (excl. VAT).

For start-up companies, founded in 2021 or later, the fee is € 975,- (excl. VAT). You have to be a Minacned member to apply for this reduced fee.
